TENEBRAE SERVICE:

This service is patterned after the ancient office of Tenebrae. The Latin word "Tenebrae" means darkness. The purpose of the service is to impress upon us the terrible reality of sin, which caused our Savior to die for us. A total of eight candles are used in this service. Seven of these candles represent the seven last sentences which our Savior spoke from the Cross, and the eighth candle is the Christ Candle, which processes and recesses into the sanctuary.

As the seven candles on the altar are extinguished one by one, causing the chancel to become increasingly darkened, we are reminded of the darkness that covered the earth at the time our Lord spoke these words at His crucifixion. It also serves as a reminder of the spiritual darkness in the world. Jesus is the Light of the world.

The exit of the Christ Candle, at the close of the service, signifies Christ's death and burial. When the book is lifted a few inches from the altar and slammed back down to create a definite closing sound, it symbolizes the stone that was rolled over the entrance to the tomb. With the sealed tomb the meaning of the cross is fulfilled, the sacrifice completed. Jesus' body rests in the tomb for the Saturday Sabbath.

The Christ Candle is not extinguished at any time during the service, as it is symbolic of the eternal light of God's love in Jesus, the eternal Son of God. Though evil had its hour, the light of God's love continues to shine for all eternity. Join us here on Saturday and Sunday to rejoice in the glorious message of the Risen Christ!

WHAT IS "THE TRIDUUM?"

The most solemn and joyful celebration of the Christian calendar is Maundy Thursday, Good Friday and Holy Saturday. Worship services on these days or evenings are traditionally considered to be parts of one single extended liturgical event called The Triduum (Latin for "Three Days"). There is no Benediction till Holy Saturday.

The first part of the Triduum begins on the evening of Maundy Thursday (also called Holy Thursday), during which Christians recall the events that took place the night Jesus was betrayed. The gospels of Matthew, Mark, and Luke concentrate on the institution of the Lord's Supper. The gospel of John focuses instead on the Lord's final teachings to His disciples, dramatically punctuated by His washing of their feet

After the sacrament has ended, the stripping of the altar takes place. The ministers and several assistants remove all vessels, crosses, books, candles, linens, paraments, banners, and other decorations from the altar and chancel area. This ancient ritual is a powerful and dramatic reenactment of the Lord's humiliation at the hands of the Roman soldiers. As the altar is being stripped, Psalm 22, containing clear prophecies of Christ's suffering, is chanted. The altar, left bare or adorned only with black paraments, is transformed from the communion table of Maundy Thursday into the tomb's stone slab of Good Friday. It will come to its culmination on Holy Saturday.
